Networking

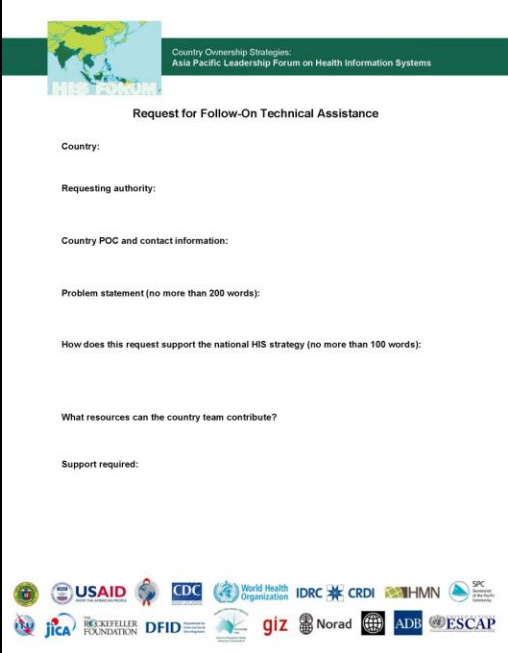

- Enhance Website www.hisforum.org with more functionality and resource links, such as
 - www.healthunbound.org
 - www.hiwiki.org
 - www.healthmetricsnetwork.info
- Donor mapping, matrix of HIS support, contacts
- Build up donor / partner profiles
- Capture knowledge and learning as case studies

Collaborating & Coordinating

- **Share opportunities openly and widely**
 - GIZ: BACKUP Initiative www.gtz.de/backup
 - ITU: Telecom sector work plan requests
 - WHO: Formal requests for TA through MoH
 - USAID: VLDP
- **Share information routinely on donor/partner collaboration, regular communications**
- **Capture and forward opportunities as they emerge**

Requests for Follow On Technical Assistance

- **Complete Technical Assistance Form (on flash drive)**
- **Submit form to WHO**
 - Mark Landry, WPRO
(landrym@wpro.who.int)
- **WHO will circulate to donors and partners for review, discussion, coordinated follow up, and timely response (status and leads)**

The image shows a form titled "Request for Follow-On Technical Assistance" from the Asia Pacific Leadership Forum on Health Information Systems. The form includes the following sections:

- Country:
- Requesting authority:
- Country POC and contact information:
- Problem statement (no more than 200 words):
- How does this request support the national HIS strategy (no more than 100 words):
- What resources can the country team contribute?:
- Support required:

At the bottom of the form, there is a row of logos for various organizations, including USAID, CDC, World Health Organization, IDRC, CRDI, HMN, SPC, jica, BECKETT FOUNDATION, DFID, giz, Norad, ADB, and ESCAP.

Closing Remarks

- **Will you continue business as usual?**
- **Will you be an agent for change?**
- **Will you remind others that information is care?**
- **Will you lead and take action?**
